

Marquette County Community Resources

Connecting you to available resources in our community!

Knowing you need help is one thing. Finding someone who can help you is another.

The best number to call for help in the Upper Peninsula is:

2-1-1 or 1-800-338-1119

Trained call specialists are ready 24 hours a day, 7 days a week, every day of the year including holidays to listen and connect you with the programs or services in your local area that can help. Assistance and information can be provided for long-term care options, aging and disability resources, employment, rent/utility assistance, home care, housing, volunteer opportunities, transportation, child and family services and more.

Pay phone and rotary phone users can dial 1-800-305-8137
